

REMARKS

This application has been carefully reviewed in light of the Office Action dated June 19, 2007. Claims 15 to 20, 22 to 27 and 32 to 33 are in the application, with Claims 1 to 14, 21 and 28 to 31 having been canceled and new Claims 32 and 33 having been added. Claim 15 is the only independent claim. Reconsideration and further examination are respectfully requested.

The Applicant and his undersigned attorney thank Examiner Chio for his courtesies and thoughtful treatment afforded during an interview conducted by telephone on August 22, 2007. Also present at the interview was Supervisory Examiner Thai Tran. Applicant's Statement of the Substance of the Interview follows.

The interview focused on Claim 15, which was a dependent claim indicated to be allowable. At the interview, it was agreed that not all of the subject matter of Claims 9, 10 and 13 (from which Claim 15 depended) was needed to define over the art. The Examiners tentatively indicated that removing references to directory information and attribute information would not affect the allowability of the claims.

As such, Claim 15 has been amended in accordance with the changes discussed at the interview, and the other claims have either been canceled or amended to depend from Claim 15 (directly or indirectly).

It is therefore believed that all claims are allowable.

Accordingly, in light of the agreements made during the interview and the foregoing amendments and remarks, the entire application is believed to be in condition for allowance, and Applicant respectfully requests same. However, if the Examiner does not

agree that all claims are allowable, it is respectfully requested that the Examiner contact the undersigned by telephone to discuss the claims, as further agreed at the interview.

Applicant's undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
